

Thurs. Sept. 11/80

Dear Vickie and Jimmy,

We just returned this afternoon from our two day trip along the Olympic Peninsula. The weather was and still is perfect and I loved our room on the shore of the Straits of Juan de Fuca. On the drive home we took two short ferry rides and ended up in Mukahito and got home in time for General Hospital. Your letter was here and your week-end seemed just wonderful. The B and B accommodations seemed like the way to go. As I told you before, I am saving all your letters and some day you will enjoy reading them over again. We just love them. I am so glad Carolyn is there and I hope she gets her luggage. She has her degree now so her job is probably pretty good. She is a lovely girl and I hope she does well in the 15 mile race. Marianne Wheeler sent you a letter which I am forwarding in a separate envelope.

Gail is leaving for London and then Italy Sept. 13th. She is going to call you but they report she is staying in London.

Jimmy, you will soon be leaving for Italy and I hope all goes well.

Please don't agree to be catapulted off from the ship. That is too scary. Our schools are closed on account of the teachers strikes. The primaries will be next Tuesday so we will know then what makes chance or outcome is.

Additional message area

Mary still plans to move back here  
the end of the year. Diane will miss  
her neighborhood there as it is a  
wonderful place for her, but of  
course I will love having them  
back here.

We will buy a recorder also. Your  
pictures are just wonderful. - Mike is  
here from Fri - until Tues. Tom has an apt.  
here in Seattle, I talk to him but haven't  
seen him.

Love, Mom. XXXX
